

MISSY

I AM

CONSTRUCTION

“

Plumbers and Steamfitters UA Local 44 in Spokane gave me the tools and training to attain and hone my skills as a Journeyman Pipe Welder.

The trade itself gave me a brotherhood.

”

LAURA LEED AP BD+C
SR. PROJECT ENGINEER, GLY CONSTRUCTION INC.

I AM

CONSTRUCTION

“

Being a woman in the construction industry today is highly rewarding. The old adage “it’s man’s world” no longer applies.

The only limitations for a woman in this industry are the ones she imposes on herself.

”

DAWN

I AM

CONSTRUCTION

“

I believe that the construction industry offers women many opportunities for career growth and advancement.

I strongly encourage other women to consider plumbing as a career.

”

ASHLEY

I AM

CONSTRUCTION

“

It's not easy being a woman in the trades. But I have never liked it easy.

So I work hard and because of that, I not only have respect but the family of my fellow Local 44 apprentices and journeymen standing with me.

”

A portrait of Stephanie, a Black woman with short dark hair, wearing a dark blue blazer and a pearl necklace. She is smiling and looking directly at the camera. The background is a soft, out-of-focus blue.

STEPHANIE

SMALL BUSINESS PROGRAM MANAGER, ABSHER CONSTRUCTION

I AM

CONSTRUCTION

“

The possibilities are endless when considering a career in construction.

Your talents and skills are valuable!

”

A circular portrait of Ericka, a woman with long brown hair, smiling. The portrait is set against a blue background and is framed by a green circular border. The background of the entire page is a dark, textured image of a construction site.

ERICKA

SAFETY DIRECTOR, WG CLARK CONSTRUCTION CO.

I AM

CONSTRUCTION

“

Construction is an ever-changing and exciting industry. I love being part of changing the city skyline. I started as a laborer and advanced to a management position. **Women are breaking through barriers and can be very successful in a nontraditional area.**

”

CINDY

COORDINATOR, CARPENTER TRAINING CENTER

I AM

CONSTRUCTION

“

My career has made me a confident woman.

I know that I can do just about anything,
all I have to do is try!

”

CASEY

2ND YEAR APPRENTICE, IBEW LOCAL 46

I AM

CONSTRUCTION

“

If you want to avoid student loans, minimum wage jobs, and nylons, consider the electrical field.

Union electricians earn high wages, receive great benefits, and have one of the best pension plans available!

”

CHRISTINA APPRENTICESHIP COORDINATOR,
NORTHWEST LABORERS EMPLOYERS TRAINING TRUST

I AM

CONSTRUCTION

“

What I have built will be around far longer than I will.

I was a homeowner before I was 25 years old; the Laborers afforded me that opportunity by helping me to learn and earn on the job.

”

AUTUMN

APPRENTICE, LABORERS LOCAL 252

I AM

CONSTRUCTION

“

I saw firsthand the great career my dad enjoyed as a member of Laborers Local 252. Now I'm following in his footsteps.

Like father, like daughter.

”

A woman with dark hair in a ponytail, wearing safety glasses and a red jacket, is smiling and looking towards the camera. She is standing in front of a large industrial machine with blue panels. Her right hand is resting on a metal part of the machine. The background shows more of the machine and some industrial equipment.

BRENDA

I AM

MANUFACTURING

“

Since women represent 50% of the general workforce, why can't it be the same in manufacturing? Women provide creativity, different perspectives, and leadership which makes manufacturing stronger.

I would not want to be anywhere else!

”

HOLLY

ASSISTANT PRODUCTION MECHANIC, GENERAL PLASTICS MANUFACTURING CO.

Learn your **CAREER**
AEROSPACE
MANUFACTURING

I AM

MANUFACTURING

“

Manufacturing is an amazing, diverse industry.
Women have something unique and powerful to
contribute to this industry.

We are the future of manufacturing; I am honored
and proud to be part of it!

”

MILEY

I AM

MANUFACTURING

“

The only way for a woman to not succeed in manufacturing is to not try!

”
