

Director's Focus

What legacy will you leave for future generations in the Construction trades? When you love your craft and are passionate about sharing it with others, you can change the trajectory of the next generation of skilled trades workers and break through economic barriers for your own family. [Click here](#) to read the full article.

Spotlight:

Centers of Excellence

Every month this year, we'll be highlighting one of our fellow Centers of Excellence across Washington state. We're proud to shine the spotlight our partner, the NW Center of Excellence for Marine Manufacturing & Technology and Director Ann Avary. Read the full article [here](#).
